

HANDOUT #4: QUESTIONS RE: “THE UNDETECTED RAPIST” VIDEO

1. Do you think the perpetrator portrayed in the video is a “typical” rapist? Why or why not?
2. Why might this type of perpetrator go “undetected?”
3. What “methods” does this perpetrator use for choosing and isolating his victim? Identify at least two methods.
4. Do any of the characteristics of the perpetrator, victim and/or assault support or challenge some of the myths and facts previously discussed?
5. Imagine that you are the victim that the perpetrator is describing. Identify at least three reasons that you may not report the assault.
6. If the victim in the scenario came to you in your role as a UVA, what would you say to him/her? Identify at least three things that you think would be important to communicate to the victim immediately after the assault.
